## Summary

I completed my 10th standard at Dholakiya School in Rajkot and I am currently pursuing a Diploma in Computer Engineering at Marwadi University. My goal is to become an App and Web Developer. I specialize in both front-end and back-end development, with skills in HTML, CSS, Bootstrap, JavaScript, C programming, C++, Java, and PHP. As a front-end developer, I focus on creating responsive and creative designs for websites, ensuring seamless experiences across different devices and browsers. I stay updated with the latest web technologies and trends to deliver captivating user experiences.
